Exalted Ruler's Message

By Amy Love

As we have somehow already arrived in February, I find myself in a space of reflection as I look back on the nearly two years I've had the honor of serving as your Exalted Ruler. I am filled with a profound sense of humility. I knew I was stepping into a role of responsibility, but I didn't fully realize how much this Lodge and all of you would shape me in return.

We have navigated many broken things and celebrated some small triumphs together. Whether it was streamlining operations, working together on community outreach, or simply sharing time with members and friends around the Lodge, every experience has reinforced my belief in the Brotherly/Sisterly Love of our Lodge. I am deeply grateful for the trust you placed in me.

February brings the arrival of Black History Month, a time to honor the resilience, brilliance, and enduring contributions of Black Americans. This year, the observance feels particularly poignant. We live in a world that often feels unsettling and increasingly divided. It can be easy to let the noise of the outside world create barriers between us. However, it is precisely during these uncertain times that our commitment to diversity becomes our greatest anchor. Let us use this month to listen more, to learn from one another, and to ensure that every person who walks through our doors feels welcomed and included.

We have a vibrant schedule of events ahead to keep our spirits high including more live music, the Super Bowl (even if it's not the Niners), and our annual celebration of our longtime members during Old Timers Night. There is something for everyone this month. Don't miss out on the fun, check out the details of all our upcoming events on our website and join us!

As we look toward the upcoming Lodge elections and a new chapter for our community, I do so with a heart full of pride and a firm confidence in our future.

See you all around the Lodge!

Elks National Foundation Scholarship Programs

The Palo Alto Elks Lodge annually invites graduating seniors from local schools to participate in the Elks National Foundation Most Valuable Student Contest. For the 2026 cycle, we received many applications, which were meticulously reviewed by our Scholarship Committee.

We are delighted to announce that the top three female and top three male applicants were each awarded a one-time \$1,000 scholarship and advanced to the District Level competition. Congratulations to:

- Mason Anderson
- Sarah Ibarra Garcia
- Peter Jiang
- Akemi Kwan (Advanced to State)
- Alan Sandoval
- Anika Rajaram (Advanced to State)

In January, the West Coast District evaluated these exceptional candidates, and we are thrilled to share that two of our six finalists moved on to the next stage. The top three finalists at the District level also received additional scholarships from CHEA.

We extend our sincerest congratulations to all our esteemed award winners!
